INTRODUCTION

The Enosis Solutions Human Resources Policy and Procedure Manual provides the policies and procedures for managing and developing staff. It also provides guidelines that Enosis Solutions will use to administer these policies, with the correct procedure to follow.

Unless specified otherwise, employees referred to in this document mean permanent full-time or part-time employees.

Enosis Solutions holds the right to change/update any policy without prior notice. Any suggestions, recommendations or feedback on the policies and procedures specified in this manual are welcome.

These policies and procedures apply to all employees.

LEAVE POLICY

Annual Leave Policy

Each employee is entitled to specified number of annual leaves based on their designation.

The number of annual leaves for an employee joining in the middle of the year will be calculated based on the number of remaining months.

Planned Leave Policy

- At least one (1) week of prior notice is required if the total number of planned leaves taken in a week is more than two (2).
- If an employee intends to take a planned leave of more than ten (10) consecutive days, they must provide notice to their manager at least one (1) month prior to the start of the scheduled leave.
- In case of planned leaves taken in between or adjacent to weekends and/or floating holidays (e.g., religious festivals) to make up a large holiday, the employee will have to notify one week prior the scheduled vacation.
- Managers have the right to decide how many team members will be considered eligible to take leaves in case more than one employee from the same team requests for leave(s) on coinciding date(s).

Unplanned Leave Policy

- A maximum of two (2) consecutive unplanned leaves are allowed without documentation.
- In case of an accident or severe sickness, proper documentation must be provided to the management. The management will take the appropriate measures based on severity of the incident and with proper discussion with the employee.

Adjusted Leave Policy

In case an employee wishes to adjust his/her leave taken on a particular day by working in holidays/weekends, then all rules and regulations meant for regular working days will be applicable. This adjustment should be notified, and a Leave Adjustment Form has to be submitted to the appropriate manager/supervisor at least one week in advance.

Employees shall be entitled to one additional leave for each leave adjustment and the validity of that adjusted leave shall be six (6) months from the day of leave adjustment.

Maternity Leave Policy

Female employees are entitled to sixteen (16) weeks of leave to attend antenatal appointments and to a period of maternity leave. To be eligible for maternity leave, employees need to fulfil the following criteria:

- Served as a permanent employee at Enosis for at least a minimum of 6 months.
- Submit pregnancy report and proof of delivery.

Provided that, to avail maternity leave the employee must provide written notice to their manager and HR department at least one (1) month prior to the start of the leave period.

Part-time Employee Leave Policy

For part-time employees, the total number of leaves will be calculated on a pro-rata basis and as percentage of the time they are giving compared to that given by a full-time employee. For example, an employee giving 28 hours of work in a week gives 70% of the total minimum working hours of a full-time employee (i.e., 40 hours a week). Therefore, the part-time employee working for 28 hours per week would be entitled to 70% of the annual leave of a full-time employee.

Unpaid Leave Policy

Unpaid leave can be taken only when all annual leaves have exhausted. Notice must be given to the management and the respective Manager a month prior to the date range on which the unpaid leave is scheduled, and the management has the discretion to approve/disapprove leave without pay that an employee is not otherwise entitled to. However, as mentioned above the management might consider emergency cases (e.g., medical reasons) backed up by valid supporting documents. If the total number of leaves taken exceeds employee's total entitled leaves, the additional leaves taken will automatically be considered as unpaid leaves.

Employees who are going on unpaid leave must return all office assets in their possession to the appropriate department prior to the start of their leave period.

General Leave Policy

Employees must apply for leave using the BOB Leave Application Form. Leave must be mutually agreed, having considered workloads and the employee's needs. Leave must be approved by the Manager and the Administration in advance, except when the employee can't anticipate the absence.

Leave not taken in one year will not be carried over/added to the total number of leaves for the next year.

If an employee decides to leave Enosis Solutions, he/she would be entitled to a definite number of leaves decided by the Human Resource Department as soon as the letter receives a written form of notice given before 1 month from the termination. The number of leaves adjusted will depend on the time of the year when the notice is received and the adjustment will be done on a pro-rata basis (e.g., if a discontinuation notice is received in July, the employee would be entitled to a leave of total 11 days and not 22 since the year isn't complete).

Enosis Solutions might consider lowering the number of paid leaves available for the employee due to the shortage of average working hours to make up for the loss of time.

DevOps Position On-Call Policy

- DevOps Engineers will be required to perform on-call duty on a weekend (2 days) every 4 weeks (approximately, once every month).
- DevOps Engineers will be required to perform on-call duty on 7 out of 13 public holidays provided by Enosis.
- If a DevOps Engineer is required to participate in on-call duty on an Enosis-declared public holiday, whether it falls on a regular working day or a weekend, he/she will receive one additional leave in lieu of that day.

Hajj & Umrah Leave Policy

Hajj Leave Policy

Employees intending to perform Hajj must adhere to the following guidelines:

- Employee must submit leave request three (3) months prior to Hajj date.
- Employees are required to utilize their allocated annual leave for the purpose of Hajj.
- If the required leave period exceeds the available annual leave balance, employees may be granted up to thirteen (13) days of paid leave. In such cases, the employee must submit a paid leave application along with valid supporting documents for Hajj, such as the Nusuk Card, agency documents, visa, or other relevant proof.

Umrah Leave Policy

Employees intending to perform Umrah must utilize leave from their allocated annual leave balance. No additional paid/unpaid leave will be granted specifically for Umrah purposes unless otherwise approved by management under exceptional circumstances.

GENERAL OFFICE POLICIES

Government Holidays

Enosis Solutions allow maximum of thirteen (13) government holidays for a period of 12 months.

Tax Payment Policy

If an employee intends to issue an annual Tax Assessment Form and/or TIN from the office, he/she will have to provide all information and materials required to complete the process. All financial liabilities (except the lawyer fee) will have to be met by the employee.

Festival Bonus Policy

Enosis Solutions has the corporate policy of awarding bonus to employees during festival (i.e., Eid), according to the following criteria-

- Festival Bonus only applicable for Eid festivals.
- Each Eid Festival Bonus will be the full of the gross salary of the month of Eid.
- All employees must have a valid and active employment contract with Enosis Solutions during the Eid festival period to be eligible to receive the festival bonus.
- Employees who are on leave during the Eid Festival period will still be eligible for the Festival Bonus payment.

Hybrid Work Policy

Enosis Solutions recognizes the importance of flexible work arrangements and thus, allows for a hybrid mode of work for specific job positions. However, employees are not allowed to work from abroad without prior written approval from the HR department and taking office assets outside of Bangladesh without IT department consent.

If an employee intends to Work from Abroad (WFA) then the employee must submit a written application to the HR department at least 60 days prior to the intended start date. The HR department will review the application and make the decision at least 30 days prior of intended start date.
